## **Local company awarded Single Business Tax credit**

**LANSING** — Dawn Food Products, Inc., in Jackson, will receive a Standard Single Business Tax Credit from the Michigan Economic Growth Authority, Sen. Beverly Hammerstrom, R-Temperance, announced.

The tax credit will enable Dawn Food Products to become more efficient and centralize certain corporate-wide service and purchasing functions. The company's plans to consolidate its headquarters in Jackson will lead to the creation of 86 new jobs in the first year of the project and up to 110 jobs during the next four years. The value of the tax credit is estimated at \$1.9 million.

"For over 80 years, Dawn Food Products has remained loyal to keeping jobs in the Jackson community and the state of Michigan," Hammerstrom said. "I am pleased we are able to encourage them to continue providing jobs for our families."

Dawn Food Products, Inc. is one of the world's largest full-service, family-owned baking industry suppliers.

The company is headquartered in Jackson and currently employs over 250 workers in Michigan.
